Miller Genuine Draft

American lager known for its especially smooth, mild taste. Thanks to cold filtration, the aroma stays fresh and clear, while the subtle hop bitterness keeps the beer balanced. The light, golden colour and the low to medium alcohol content make for easy-going beer enjoyment. Served ideally chilled, Miller Genuine Draft is perfect for convivial evenings, relaxed moments and mindful, light beer enjoyment at home.

Artikelnummer	20042
Artikelname	Miller Genuine Draft
MwSt.%	8.1
Basiseinheit	Miller
