Silvus Swiss Dry Gin

High-quality Swiss gin that combines alpine freshness with classic distilling art. Carefully selected botanicals such as juniper, fresh citrus notes and fine herbs from the Alps give it its clear, balanced character. On the palate it is harmonious, with an elegant spiciness and a pleasantly dry finish. Thanks to its pure, soft structure, Silvus Swiss Dry Gin is ideal for classic cocktails such as the Gin & Tonic or Martini, but also impresses neat on ice. An authentic premium gin that reflects Swiss quality and nature in every sip.
