Refuse Bag 110L black, 10 rolls

The black refuse bags with a capacity of 110 litres offer a practical and reliable solution for daily waste disposal. Thanks to their generous volume, they are ideal for larger quantities of waste in restaurants, hotels, offices, commercial businesses and private households. The black colour ensures discreet and clean waste disposal. With a packaging unit of 10 rolls of 15 pieces each, 150 refuse bags in total, they are particularly practical for businesses with regular waste volumes.
