Nitrile Ultra Soft Lavender M, 200 pieces

The Nitrile Ultra Soft Lavender gloves in size M impress with their particularly soft material quality, high flexibility and pleasant wearing comfort. The disposable nitrile gloves offer a good fit and allow precise work in a variety of tasks. The elegant lavender colour gives a modern and appealing look. They are ideal for use in beauty studios, beauty salons, cleaning companies and in hygienically sensitive work areas. The practical pack of 200 pieces offers an economical solution for daily and regular use.
