Vitamin Well Zero Lemon, PET

refreshing still drink with an intense lemon taste and no sugar. It contains a balanced combination of vitamins such as B6, niacin and biotin, which can contribute to the normal function of the nervous system and to the reduction of tiredness. Pantothenic acid additionally supports mental performance. The drink is low in calories, free of carbonation and preservatives and is best enjoyed well chilled. Thanks to its light formula it is ideal as an alternative to sugary soft drinks in everyday life, at the office or after sport.
