Fever-Tree Ginger Beer

delights with its intense ginger flavour, a pleasantly spicy heat and refreshing carbonation. The high-quality premium mixer combines carefully selected ginger varieties with a harmonious balance of natural sweetness and fine citrus notes. Compared to classic ginger ale, ginger beer impresses with its stronger, more characterful taste and a much more pronounced ginger spiciness. Whether neat on ice, as a non-alcoholic refreshment or as a base for creative cocktails - Fever-Tree Ginger Beer offers versatile enjoyment.
