Red Bull Sugarfree 4x6-pack

A sugar-free energy drink that impresses with its characteristic taste and invigorating effect. The combination of caffeine, taurine and B vitamins creates a refreshing taste experience without sugar. The pleasantly sweetish note and the sparkling carbonation make Red Bull Sugarfree a popular alternative to the classic Red Bull Original. The caffeine it contains can support attention and concentration. Whether at the office, when studying, while travelling or on the go, Red Bull Sugarfree is a practical companion for everyday life.
