Pirovano Sedici Apassimento Rosso 2024

Full-bodied, intense red wine from Apulia in southern Italy. The cuvée of Primitivo and Merlot is produced using the Appassimento method, in which part of the grapes is partially dried. This creates a particularly high concentration of aromas, fullness and a pleasant softness. The bouquet shows ripe dark fruit such as blackberries, cherries and plums, accompanied by spicy herbs, fine toasted notes and a hint of vanilla. On the palate the wine is powerful and harmonious with soft tannins, dense fruit and a long-lasting, slightly spicy finish.
