Miraval Studio by Miraval Rosé 2024

Shows a delicate pink tone with brilliant clarity. Its scent is marked by fresh raspberries, pink grapefruit and a fine hint of Provence herbs. On the palate it impresses with its lightness and precise structure, carried by a lively acidity and a subtle salty minerality that gives it length. The ageing is particularly interesting: in addition to temperature-controlled fermentation in a stainless steel tank, part of the wine is used in concrete vessels, which allow gentle micro-oxidation and round off the texture. This creates a harmonious interplay of freshness, finesse and subtle complexity.
