Bodegas Aalto 2023

Made from hand-selected Tempranillo grapes, each fruit is carefully chosen to process only the best and ripest specimens. The wine ages 18 months in oak barrels, which gives it additional depth and complexity. On the nose it unfolds a tempting combination of fruity and spicy aromas, accompanied by a fresh, mineral note. On the palate the Aalto is full-bodied and well structured, with a silky feel and fine, elegant tannins. An outstanding Ribera del Duero that delights in its youth and also has great ageing potential.
