# Turicum Berry Blush Gin

Turicum Berry Blush Gin is a fruity premium gin from Zürich that combines a classic London Dry base with modern berry notes. It is distinguished by a harmonious blend of juniper and red berries such as raspberries and strawberries, which give it a light sweetness and lively freshness. In taste it is soft, fruity and at the same time elegantly balanced. The gin is ideal for summery drinks, Gin & Tonic variations or creative cocktails. Its bright colour and accessible aroma make it especially popular with connoisseurs who appreciate fresh, fruit-driven spirits with Swiss quality and a modern interpretation. A modern, playful premium gin with character.
