Cantina Santadi Rocca Rubia Carignano del Sulcis Riserva Doc 2023

The grapes for the Rocca Rubia Carignano del Sulcis DOC Riserva 2023 are fermented in stainless steel tanks at a controlled temperature. After malolactic fermentation, the wine matures for 10 to 12 months in small French oak barrels, both first-use and second-use. Rocca Rubia presents itself in a deep ruby red colour. The aroma is intense and complex, with fruity notes of blackberries, blueberries and vanilla, accompanied by myrtle, leather and liquorice. On the palate the wine is rich and velvety, with an impressive structure. A full-bodied wine that captivates with its depth and elegance.
