Mazzetti Grappa Vitae in Box

Forget everything you think you know about harsh grappa - the Grappa Vitae plays in a league of its own and beams you with the first sip straight to a fine bar in Piedmont. As soon as you open the stylish gift box and see the deeply glowing amber in the glass, you notice: real premium feeling arises here. The secret behind this liquid luxury is the pomace of the rare Ruchè grape, an absolute speciality from the hills of Monferrato. On the nose a brilliant mix draws you in magically - an intense scent of fresh rose petals and ripe berries meets the warm, sweet cosiness of vanilla and fine wood. On the palate this grappa is pure elegance: super soft, extremely harmonious and so velvety that it manages entirely without sharpness. In the finish it lingers seemingly forever and leaves a lasting impression.
