Red Bull The Cherry Edition Sugarfree - Cherry Sakura

Red Bull The Cherry Edition Cherry Sakura Sugarfree combines the invigorating effect of the classic Red Bull Energy Drink with an extraordinary taste experience of fruity cherry and fine sakura blossom notes. The harmonious combination of sweet-and-sour cherry freshness and a subtle floral aroma delivers a refreshing treat, entirely without sugar. With caffeine, taurine and selected B vitamins, the energy drink offers the well-known Red Bull recipe in a fruity variant. Whether in the office, while studying, on long car journeys or as a refreshment in between, Red Bull Cherry Edition Sugarfree is a tasty alternative to classic energy drinks
