Patron Silver pure agave

Mexican tequila made from 100 % Blue Weber agave. The clear premium tequila is produced in Jalisco and not aged in wooden barrels. This keeps the natural character of the agave especially distinct. Patrón Silver is characterised by soft, fresh and elegant aromatics and is suited both to neat enjoyment and excellently to high-quality cocktails. On the nose, fresh and cooked agave, citrus fruit and light floral nuances appear. On the palate Patrón Silver is soft and balanced with sweet agave, citrus, pepper and fine herbal aromatics. The finish is pleasantly fresh, slightly spicy and harmonious.
