Nocco Electrolyte Blood Orange, Can

sugar-free, carbonated functional drink with a fruity-sparkling blood orange taste. The combination of caffeine, magnesium, potassium and selected B vitamins makes it particularly suitable for an active lifestyle. In terms of taste, intense citrus notes with a pleasant acidity and a slightly bitter blood orange note are in the foreground. Well chilled, NOCCO Electrolyte Blood Orange is a refreshing choice on the go, during sport or in everyday life.
