Cherrapunji Gin Classic

Exceptional premium gin from India, inspired by the lush nature and rainy climate of the Cherrapunji region in the state of Meghalaya. The gin combines traditional juniper notes with selected regional botanicals and a distinctive, aromatic character. Fresh citrus notes, spicy herbs and floral nuances create a multilayered taste experience. Its special origin and connection to the nature of Northeast India make it an interesting discovery for gin lovers. Whether neat on ice, as a classic gin and tonic or as a base for creative cocktails, Cherrapunji Gin Classic offers versatile ways to enjoy it. It goes especially well with a high-quality, not overly dominant tonic water and a fresh citrus zest.
