Cherrapunji Gin Berries

Premium gin from Meghalaya in Northeast India, inspired by the diverse nature and aromatic fruits of the region. The fruity interpretation of Cherrapunji Gin combines classic juniper notes with intense berry aromas, fine citrus nuances and a pleasantly spicy freshness. On the palate the gin is harmonious, lively and fruit-forward, accompanied by a subtle herbal spice. Its special origin and aromatic character make it an interesting choice for lovers of modern gin creations. Whether neat on ice, as a fruity gin and tonic or as a base for summery cocktails, Cherrapunji Gin Berries offers versatile ways to enjoy it. It goes especially well with a high-quality tonic water, fresh berries and a lemon zest.
