Chartreuse Jaune

Chartreuse Jaune is a traditional French herbal liqueur with an unmistakable, aromatic character. Yellow Chartreuse is made according to a secret recipe from numerous selected plants, herbs, spices, roots and flowers. With alcohol it combines intense herbal aromas with fine sweetish, spicy and slightly fresh notes. On the palate it is complex, balanced and pleasantly aromatic with a long aftertaste. Chartreuse Jaune is excellent for sipping neat, slightly chilled or on ice. It is also a versatile choice as a special ingredient for classic and modern cocktails
