Fever-Tree Premium Indian Tonic Water

Indian Tonic Water is a high-quality premium mixer that impresses with its perfect balance of fine bitterness, pleasant sweetness and refreshing citrus notes. The classic tonic water combines natural quinine with selected plant-based flavourings and fine carbonation into an elegant taste experience. Particularly characteristic are the fresh notes of bitter orange, which give the drink a pleasant lightness. Whether neat on ice, as a non-alcoholic aperitif or as a base for a classic Gin Tonic - Fever-Tree Premium Indian Tonic Water is versatile in use.
