Fever-Tree Bitter Lemon

Combines the zesty freshness of sun-ripened lemons with a pleasantly tart bitter note for a refreshing taste experience. The high-quality premium soft drink impresses with its harmonious balance of fruity citrus acidity, subtle sweetness and fine carbonation. The characteristic bitterness comes from quinine and gives the drink its unmistakable, elegant taste. Whether neat on ice, as a refreshing aperitif or as a mixer for creative cocktails - Fever-Tree Bitter Lemon is a versatile choice for discerning connoisseurs.
