Corona Extra

Corona Extra is a world-famous premium lager from Mexico that stands for lightness, joie de vivre and relaxed moments of enjoyment. Brewed from selected ingredients, it impresses with its clear, golden colour and its refreshing character. Mild on the nose with subtle grain notes, light and balanced on the palate with fine malt sweetness, restrained hop bitterness and a sparkling freshness. The finish is clean and pleasantly short. Corona Extra is ideally served ice cold, classically with a lime wedge in the bottle neck, and is perfect for convivial evenings, summer parties and relaxed occasions.
