Jack Daniel's Old No.7 Tennessee Whiskey 0.35l

One of the best-known Tennessee whiskeys in the world and an icon of American whiskey culture. Since 1866 it has been made in Lynchburg, Tennessee, according to the traditional method of the Jack Daniel's Distillery. Its unmistakable character comes from the combination of selected grains, pure cave spring water and the characteristic Charcoal Mellowing - the slow filtration of the whiskey through charcoal made from sugar maple.
