Derby Blue Cranberry Juice

Delights with its intense taste of American cranberries and a harmonious combination of fruity sweetness and pleasantly tart acidity. The characteristic red colour and the aromatic berry profile make this drink a versatile choice for everyday enjoyment and professional gastronomy. With its fruity character, Derby Blue Cranberry is excellent as a refreshing drink, but also as a base for creative cocktails and non-alcoholic mocktails. Cranberry juice is especially popular as an ingredient for classics such as Cosmopolitan or Sea Breeze.
