Graham's Port Blend No. 5 White Port

Modern, fresh and aromatic white port from the Douro Valley in Portugal. It was developed specifically for mixing and is regarded as a particularly light and fresh interpretation of White Port. The blend consists mainly of the two grape varieties Malvasia Fina and Moscatel Galego. The grapes are hand-picked and cold fermented to preserve the fruity and floral aromas. On the nose and palate, fresh notes of white fruits, citrus fruits and floral nuances appear. The port is medium dry and lively and pleasantly fresh. It is especially popular with tonic water, ice, lemon and mint.
