Olmeca Blanco Tequila

Mexican tequila from Jalisco with a fresh, fruity and slightly spicy character. It is bottled immediately after distillation and not aged in wooden casks. This keeps the fresh agave aromas particularly distinct. The Olmeca brand is produced as a Tequila Mixto, with at least 51% of the fermentable sugars coming from Blue Weber agave. In the glass, Olmeca Blanco is clear and colourless. On the nose, fresh herbs, green pepper and fine citrus notes appear. On the palate it is sweetish and slightly smoky, with a gentle honey tone and subtle pepperiness. The finish is soft and pleasant.
