# BEU New Moon Mezcal

Handcrafted mezcal made from 100% Espadín agave from Oaxaca, Mexico. This characterful agave spirit uses particularly ripe Espadín agaves, known in Oaxaca as Capón. The agave hearts are traditionally cooked in earth ovens, then naturally fermented and distilled once in a copper still. This keeps the typical agave aromas especially present. On the nose and palate, New Moon is smoky, earthy and slightly sweet, complemented by fine citrus and herbal notes.
