San Roman Toto DO 2022

Made from Tinta de Toro, the local variant of Tempranillo, it comes from vines over 40 years old. In the glass it appears deep and powerful. The nose delights with ripe dark fruits such as blackberries, blueberries and black cherry, complemented by fine spice, vanilla and toasty aromas. On the palate the wine is concentrated, full-bodied and at the same time balanced. Fine-grained, well-integrated tannins, lively acidity and an elegant wood note provide structure and depth. The long, expressive finish underlines its mineral and characterful style. The San Román 2021 aged for 24 months in French oak barrels of various sizes.
