Espolon Tequila Reposado

Mexican tequila made from 100% Blue Weber agave. Unlike the Blanco, the Reposado gains additional depth, warmth and spice from ageing in American oak barrels. Cask ageing gives it its characteristic golden colour and combines the strong agave character with notes of vanilla, caramel, tropical fruits and spices. On the nose, Espolòn Reposado is spicy with fine caramel and fudge notes. On the palate it is medium to full-bodied with roasted agave, sweet tropical fruits, vanilla and warm spices. The finish is long, soft and spicy.
