Espolon Tequila Blanco

Mexican tequila made from 100% Blue Weber agave. The unaged Blanco is produced in Jalisco and impresses with a fresh, lively and balanced character. Without cask ageing, the natural agave aromas remain particularly clear and present. In the glass, Espolòn Blanco is crystal clear with a slight platinum sheen. On the nose, sweet agave, tropical fruits and lemon peel unfold. On the palate it is soft and light to medium-bodied with agave, a fine pepper note and hints of vanilla and grilled pineapple. The finish is clean, fresh and slightly spicy.
