Canonita de Mallorca

Canonita de Mallorca is an aromatic orange aperitif from the Spanish island of Mallorca. Made with the characteristic Canoneta oranges from the Sóller valley, it impresses with an intense, fruity and pleasantly sweet aroma. The sun-ripened oranges give the aperitif its natural citrus character with fine bittersweet nuances. Canonita is excellent as a chilled aperitif, neat on ice or as a base for refreshing cocktails. It is also versatile in combination with tonic water or as an accompaniment to light desserts. The bottle brings Mediterranean Mallorca straight into the glass.
