Mombasa Club Gin

Inspired by historic recipes, it combines traditional juniper notes with finely balanced herbal and slightly spicy botanicals. Its character is balanced, slightly exotic and yet classic, which makes it particularly versatile for various mixed drinks. Mombasa Club Gin is excellent for a high-quality Gin & Tonic, but also for classic cocktails such as Martini or Negroni. Careful production ensures a harmonious aroma profile and consistent quality. The gin is vegan, but not certified as an organic product, and ideal for stylish enjoyment.
