Caruso&Minini Lillo Bio Grillo 2024 Sicilia DOC

On the sun-drenched hills of western Sicily, organically grown Grillo grapes ripen, giving this white wine its freshness and aromatic elegance. An intense bouquet of white blossoms, Mediterranean herbs and fine citrus notes shapes the first impression. On the palate the wine impresses with a lively acidity, pleasant minerality and a balanced, soft structure that leads into a fresh and harmonious finish. Before fermentation, the grapes undergo cryomaceration at 4 °C for 4 to 12 hours to best preserve their natural aromas. This is followed by temperature-controlled vinification and ageing on the fine lees in a stainless steel tank with regular bâtonnage until bottling. This certified organic white wine is the ideal companion to fish, sushi, white meat and Mediterranean vegetable dishes.
