Jumilla Juan Gil 12 Plata 2023

Powerful and elegant Monastrell from the D.O.P. Jumilla in the Murcia region, Spain. It is made 100 % from the autochthonous grape variety Monastrell. The grapes come from old vines with very low yields, growing on calcareous and stony soils. After temperature-controlled fermentation in stainless steel tanks, the wine ages for about 12 months in French oak barrels. This gives it additional depth, spice and structure. On the nose, ripe red and dark fruits appear, accompanied by toasty aromas, spices and fine smoky notes. On the palate it is full-bodied, powerful and juicy, with well-integrated tannins and a long, spicy finish.
