Saint James Paille Ambré Rhum Agricole

Saint James Paille Ambré is a characterful rhum agricole from Martinique made from fresh sugar cane juice. Careful ageing gives it its attractive golden to amber colour and a balanced aromatic profile. On the nose, fine notes of fresh sugar cane, wood and subtle spices appear. On the palate the rum impresses with a harmonious interplay of slightly sweetish, spicy and woody nuances. The finish is pleasantly soft and balanced. With its authentic French-Caribbean character, Saint James Paille Ambré is excellent for neat enjoyment, on ice or for classic rum cocktails.
