Vitamin Well Electrolyte, PET

Functional soft drink developed especially for active people and athletes. It combines a light, fruity taste with important vitamins and minerals that support the body during physical exertion. The variant "001" is characterised by its fresh lemon-lime flavour, which is particularly pleasant after training or during intense activity. The drink is low in calories and contains no added carbonation, making it easy to drink and quickly supplying the body with fluid.

Artikelnummer	10176
