Vitamin Well Zero Peach, PET

A refreshing, still vitamin water with a delicate peach flavour that combines fruity sweetness with light freshness. The drink is sugar-free, low in calories and contains a balanced mix of vitamins such as B6, B12, niacin, biotin, pantothenic acid as well as vitamins D and E. These support, among other things, energy metabolism, the normal function of the immune system and general well-being. The taste is soft, fruity and pleasantly light, without seeming artificial. Ideal as a non-alcoholic refreshment in daily life, at the office or after sport. Without carbonation and preservatives, it is best enjoyed well chilled.

Artikelnummer	10178
