Nocco Ramonade, Can

Carbonated functional drink with an exotic and refreshing flavour profile. The combination of rambutan, melon and apple delivers a fruity, slightly tart freshness with a tropical character. With around 180 mg of caffeine per can, the drink supports concentration and performance in daily life or during training. The recipe is complemented by vitamins such as B6, B12, biotin and niacin, which can support energy metabolism. Designed to be sugar-free and low in calories, the drink is aimed at active consumers looking for a modern, functional alternative to classic energy drinks.
