Nocco Black Orange, Can

Carbonated functional drink with a distinctive flavour profile of cola and orange. The combination delivers a slightly tart, fruity freshness with a sparkling, modern character. With up to 180 mg of caffeine per can, the drink supports concentration and energy in daily life or during training. The recipe is complemented by BCAAs as well as vitamins such as B6, B12 and niacin, which can promote energy metabolism. Designed to be sugar-free and low in calories, the drink is aimed at active consumers looking for a functional alternative to classic energy drinks.
