San Cosme Mezcal

Mexican mezcal from Oaxaca, traditionally made from 100 % agave. The agaves are slowly cooked in earth ovens, which creates the typical smoky character. They are then ground, fermented and distilled in copper stills. The result is an aromatic mezcal with a balanced combination of smoke, agave and fine fruity and spicy nuances. On the nose San Cosme shows distinct smoke notes, cooked agave and earthy hints. On the palate it is strong, warm and balanced with roasted agave, smoke, herbs and a fine fruitiness. The finish is long, dry and pleasantly spicy.
