Bamboo Skewers 15cm 1000 pcs.

The bamboo skewers, 15 cm long, offer a practical and versatile solution for preparing and presenting food. Made from natural bamboo, they impress with their sturdy construction, light weight and easy handling. They are ideal for shashlik, meat skewers, vegetable skewers, grilled dishes, and for serving finger food, canapés and aperitif specialities. The bamboo skewers are especially practical for restaurants, catering, barbecue parties, events and private households. The bulk pack of 1'000 pieces is an economical solution for regular use in the catering trade.
