Bamboo Skewers 25cm 250 pcs.

The bamboo skewers, 25 cm long, offer a practical and versatile solution for preparing and presenting food. Made from natural bamboo, they impress with their sturdy construction, light weight and easy handling. Thanks to their generous length, they are ideal for meat and vegetable skewers, grilled dishes, shashlik, BBQ specialities and creative food presentations. The bamboo skewers are especially practical for restaurants, catering, barbecue parties, events and private households. The pack of 250 pieces is a practical and economical solution for regular use in the catering trade.
