Chartreuse verte

Chartreuse Verte is a long-established French herbal liqueur with an intense and complex character. Green Chartreuse is made according to a secret recipe from various plants, herbs, spices, roots and flowers. With alcohol it has a powerful structure and combines spicy, herbal, slightly sweetish and fresh aromas. On the palate a multi-layered taste experience develops with a long, aromatic finish. Chartreuse Verte is excellent neat, on ice or as a special ingredient in cocktails. The bottle is a characterful addition to any well-stocked home bar.
