Caruso&Minini Nino Rosso IGT Gran Cru 2015 Terre Siciliane

The iconic wine of Caruso & Minini, the symbol of a project of love and respect for the land and the local wine culture; a great red wine that embodies all the values that grandfather Nino passed on to his sons Stefano, Francesco and Roberto and then on to his grandchildren. The result of a careful, selective harvest in the vineyard in a high-lying hill area in the hinterland of Trapani, carried out at two different times; the first in September, to best preserve the organoleptic profile of the grapes, followed by a passage in the fruit cellar for gradual drying, and the second - at the beginning of October - after natural drying of the grapes on the overripe plant. This practice is applied to a selection of the best black grapes, which in different percentages bring to life this symbolic wine of the Caruso family. Work in the cellar is characterised by the slow process of maceration and fermentation at controlled temperature for each individual variety (about one month); once malolactic fermentation is complete, a light pressing takes place. Nino is complex and distinctive, elegant thanks to the finesse of the tannins, and is characterised by a slight sweetness that is partly due to the overripe grapes and to refinement in French wooden tonneaux (4 years), to which a further 12 months lying in the bottle are added before marketing. An emotion to experience and enjoy on special occasions.
