Caruso&Minini Delia Nivolelli Syrah Riserva 2018 DOC

On the limestone and clay hills of the Delia Nivolelli DOC, Syrah grapes of exceptional quality are grown, giving this Riserva its distinctive personality. The multi-layered bouquet combines ripe black cherries with floral notes of dried violets and peonies as well as fine spicy and herbal nuances. On the palate the wine is profound, elegant and superbly structured, with silky tannins and a long, spicy finish. After careful hand harvesting, the grapes are fermented for 15 to 20 days at controlled temperature in stainless steel tanks and then undergo malolactic fermentation. The wine then ages for 24 months in 500-litre tonneaux of French oak and a further six months in the bottle. This long ageing gives it impressive complexity, finesse and an ageing potential of up to 15 years.
