Jumilla Juan Gil 18 Blue 2022

One of the best-known wines from Bodegas Juan Gil in Jumilla, Spain. The cuvée consists of Monastrell, Cabernet Sauvignon and Syrah. A large part of the grapes comes from very old, low-yielding vines at around 700 m altitude. This produces particularly concentrated and aromatic grapes. In the glass the wine shows a deep cherry red with a garnet rim. The bouquet is intense and complex with black fruits, toasty aromas and balsamic notes. On the palate it is powerful, full-bodied and elegant, with fine tannins as well as aromas of cocoa, spices and ripe dark fruits.
