Oberli & Oechsle Rosé 2024 VDP Suisse

Fresh, fruity and uncomplicated, the rosé from Oberli & Oechsle comes from the Zürcher Weinland. The wine is made from Pinot Noir and shows a light, bright rosé colour. On the nose, fresh strawberry aromas and fine red fruits are in the foreground. On the palate it is juicy, light and refreshing, with pleasant fruit and harmonious acidity. Its approachable character makes it an ideal companion for aperitifs and warm summer days
