# Carlos I Imperial X.O. Solera Gran Reserva Brandy de Jerez

High-quality Spanish premium brandy from Jerez, produced by Bodegas Osborne. It is made from selected brandy distillates based on the Airén grape variety and aged using the traditional criaderas and solera method. Some of the distillates used mature for more than 20 years in oak casks that previously held high-quality Oloroso and Amontillado sherries. This gives the brandy its special depth, spice and complexity.
