Canti Gran Passero Appassimentio IGT Puglia 2022

Full-bodied and intense Primitivo from southern Italy, produced using the appassimento method. The grapes are lightly dried before vinification, which gives the wine more concentration, depth and natural sweetness. The bouquet shows ripe dark fruits such as plums, black cherries and blackberries, complemented by fine notes of chocolate, vanilla and sweet spices. On the palate it is soft, round and very velvety, with pronounced fruit richness and a long, harmonious finish. Ageing typically takes place in stainless steel tanks and partly in wood, to support the balance between fruit, spice and structure. An approachable yet characterful red wine for enjoyable
