Caruso&Minini Cabignon Cabernet Sauvignon 2022 DOC

On the chalky and clayey hills in the hinterland of Marsala, the Cabernet Sauvignon grapes thrive for this characterful red wine, which combines international elegance with Sicilian terroir. Intense aromas of blackberry and raspberry jam merge with fine spice notes and a hint of vanilla into a complex bouquet. On the palate the wine is dry, full-bodied and harmonious with soft tannins, a balanced structure and a long, pleasantly lingering finish. After hand harvesting, the grapes are fermented for 15 to 20 days under temperature control in stainless steel tanks and then undergo malolactic fermentation. Ageing takes place over eight months in equal parts in French and American oak barriques. This gives the wine additional depth, elegant roasted aromas and an ageing potential of up to ten years.
